

# Geography

Year group: 3/4 Cycle B

Term: Summer

## Topic overview

Stone Age - Children will be looking at aspects of human and physical geography, children will find out where the best places to build settlements were. They will locate Stone Age and Iron Age settlements on maps and draw their own map of a Stone Age Settlement.

### Prior knowledge

Children will build on their knowledge of the United Kingdom and name the countries in the UK.

### National Curriculum Objectives

- Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time

By the end of this unit, I will be able to:

#### Geographical Enquiry:

- Identify key features of a locality by using a map
- Accurately plot NSEW on a map

#### Physical Geography:

- Recognise the 8 compass points

#### Human Geography:

- Describe human features in a locality
- Explain why a place is like it is
