

13<sup>th</sup> September 2019

Dear Parents,

Next Friday 20<sup>th</sup> September, we will be celebrating Harvest in Year 1 by having an 'Apple Day'! We will be apple pressing to make fresh juice with Guy from The Environment Zone along with apple printing, apple bobbing and making apple pigs! If your child would like to come to school dressed up in Harvest themed clothes such as farmers, scarecrows or even just apple colours then it would be great to add to the fun on the day. Please avoid using loose straw!

If you have any queries, please do not hesitate to see us.

This should be an exciting day providing a range of learning opportunities for the children.

Yours sincerely,

Mrs. Cartwright & Miss. Barclay

Year 1 Teachers
