Tuesday 8th October 2019

Dear Parent/Guardian,

Year Rec Jordan (only), 2P only, 1C and 1B would like to invite you to a maths lesson on Monday 18th November from 9.00 - 10.30 a.m. This is an opportunity to share in your child's learning.

Please note, due to restricted space in the classroom, we can only accommodate **one** parent/guardian per child. We appreciate that a lot of parents work or have other engagements; therefore there will be other opportunities for you to work in school with your child.

The morning would entail the following:

- Drop your child off as usual.
- Parents wait in the main foyer.
- Miss Jordan, Miss Postings, Mrs Cartwright and Miss Barclay will then bring parents through to the classroom and explain the methods to be used this morning.
- Children join us back in the classroom.
- Teacher explains the learning that will take place.
- Working time together, teachers to support.
- Plenary
- Parents leave.
- This will be a normal maths lesson (or as normal as can be with so many parents in the classroom) so the children will be expected to produce their usual standard of work and explain their maths to parents.

Please complete the following reply slip by Thursday 24th October 2019

Yours sincerely,

A Stanton

Deputy Head
