Christmas DVD Order - "It's a miracle!" - Year 1 - Year 6 only

Dear Parents/carers,

Many of you have given consent for your child to take part in the Christmas recording of the Christmas production - 'It's a miracle!' Thank you for doing so!

If you have given consent and would like to purchase a copy of the DVD - please complete the form below indicating the number of copies that you wish to purchase. The DVD cost is £7 each - school does not make any profit from this. This would be a great gift for family members!

We need to know orders in advance - so if you would like a copy please send the slip and money back into school by Friday 20th November 2020.

The DVD's will be sent home with your child, just before we finish for the Christmas break the week commencing 14th December 2020.

We appreciate that these arrangements will be very different from usual; we are trying to keep school routines and traditions with parents as close to normal as possible, within the current Government guidance and restrictions.

Thank you for your continued support.

Mrs Miller and Miss Stanton

Headteacher and Deputy Headteacher

Please complete and return the following booking form by Friday 20th November 2020.

Child's name Class.....

I would like to purchase 'It's a miracle' DVD _____ (indicate the number of copies)
