Santa Claus is coming to Blanford Mere!

We have, once again, been lucky enough to arrange for Santa to bring his grotto to school on **Thursday 17th December 2026** in the morning.

Santa and his helpers will be seeing children and giving gifts. In the past this has always been a really lovely event for our children and is the highlight of the Christmas calendar.

We do appreciate that this is an expensive time of year for families and with this in mind, we do try to keep the cost of the grotto to an absolute minimum.

If you wish for your child to see Santa in his Blanford Grotto, the cost is **£4.50** per child, including gift. This is for all children from Nursery to Year 6.

Please fill in the online form which you can find in the forms tab on the school website – labelled **Christmas Activities 2026** and pay in the School Money Shop.

To assist us, we kindly ask that parents with more than one child in school ensure they are using the appropriate School Money account for each child.

Any online forms and money received after **Friday 27th November 2026** will not be accepted, we cannot accept any orders received after this date –

Remember Santa is very busy at this time of year!!
