Dear Sir/Madam

I am writing to inform you that we plan to carry-out carriageway patching work along your road.

Work will be carried out on Balfour Road Kingswinford 15th & 16th December and should be completed subject to favourable weather conditions during this period.

For this work to be undertaken as safely and effectively as possible we shall plan to start works from 09.00 hrs although this may vary according to the day's schedule of work.

Access to frontages shall be maintained if safe to do so. I would ask for all drivers using this facility to be patient whilst we manually guide customers in and out these premises.

I would also ask that all street parking be removed to facilitate Road Repair Work during these hours...

On behalf of Dudley Council, I would like to apologise for any inconvenience that this work may cause, but I can assure you that every effort will be made to keep disruption to a minimum.

Should you have any queries regarding this work, please contact our Street Maintenance Section on 01384 814490.

Yours sincerely

Robert Wright.

Maintenance Manager
