WHAT DO YOU NEED TO KNOW?

# CONDOVER TRIP MEETING FOR MARCH 2026 VISIT

We have arranged to take next year's Year 6 on a residential activity course to Condoval Hall, Shropshire on 18th – 20th March 2026. This is usually one of the children's primary school 'highlights' and an extremely enjoyable experience. It is well known that residential courses organised by schools are becoming increasingly invaluable as part of the National Curriculum.

The Government has stated the beneficial effects of learning outside the classroom and the impact this has on a child's progress that such courses provide. Learning outside the classroom offers new exciting challenges, children will learn to work together as a team, develop independence, confidence and an ability to recognise strengths and weaknesses in a constructive way. The value of giving children the opportunity to try our new activities cannot be underestimated.

At Condover Hall, fully trained and qualified instructors, with the support of school staff, provide instruction in a full programme of activities in a safe, controlled and secure environment.

The activities available may include: Archery, High Rope Course, Fencing, Golf, Zip Wire, Zorbing, to name but a few.

The total cost of the visit to Condover Hall is approximately **£205.67** and includes: Full board accommodation, transport from the school to the centre and return, insurance, all instruction and activities, equipment & safety equipment, evening activities programme, achievement certificates and comprehensive insurance.
