

Welcome to Blanford Mere Nursery

Welcome to Blanford Mere Nursery; we hope you enjoy the time you spend with us. All the staff are looking forward to getting to know you and your child.

Starting Nursery is an exciting time and we want everyone to enjoy it. However, we also know it can sometimes be a new and overwhelming experience for some children and their families. Please try not to worry if your child does get upset, this is a natural reaction even when children have been looking forward to coming to Nursery. The staff are here to support you and your child through the process.

Our Nursery is a warm, welcoming environment with a friendly ethos. We have high expectations of all our children and recognise that each child develops in their own unique way, at different rates and we are very much looking forward to welcoming you.

Miss Porter
Nursery Leader

Miss Steadman
Early Years Practitioner

Mrs Harris
Teaching Assistant

Miss Morris
Teaching Assistant

We hope you have a wonderful summer, we are very excited to meet you all and we look forward to welcoming you in September.

From

The Nursery team.

Curriculum

We believe that very young children should be provided with a range of high quality, enjoyable opportunities to engage them in learning through play.

Through play, children develop language skills, their emotions and creativity, social and intellectual skills.

We encourage children to be independent learners by providing them with opportunities to play, explore, investigate and follow their own interests, as well as being taught for a short time each day in their key groups.

We begin with finding out what children know and enjoy by asking their parents/carers, and then observing their play.

We aim to provide natural resources wherever possible which challenge the children to use their imagination, create, problem solve and take risks, and celebrate lots of events throughout the year.
