Mission Statement

WORKING TOGETHER, ACHIEVING TOGETHER

At Blanford Mere we aim to offer our children a high standard of education within a rich, caring and friendly environment where honesty, independence and tolerance are valued and where everyone is made welcome.

It is our intention to provide a broad and balanced education, creating opportunities for everyone to reach their full potential. We have high expectations and encourage the children to do their best at all times. The achievements of pupils and all adults are recognised and valued.

At Blanford Mere we treat children as individuals and are concerned with all aspects of their development: academic, social, spiritual and physical, preparing them to become valued members of the local community, of which the school is a part, and the wider society.

Aims of the School

- provide each child with an exciting, broad and balanced curriculum, so that they acquire skills, knowledge and a love of learning.
- encourage high standards of achievement, presentation and behaviour in a safe, nurturing and vibrant environment.
- respect their own rights and those of others so that everyone feels valued and secure in our school and wider community.
- encourage children to have high aspirations and strive to be the best that they can be, so that they can make a positive contribution to modern Britain.
- create a happy and caring community with involvement and commitment from children, staff and parents/carers to support children's learning.
