

Fantastic news...

Magical Maths is coming back to Blanford Mere Primary School!

Magical maths is a super fun after school club designed to boost children's confidence and better engage them with maths. We have been invited back for the 5th time to run our super maths club. This is a BRAND NEW club with new activities so if you have been before, you are invited to attend and continue the fun and learning.

The club runs for an hour a week after school starting **Tuesday 25th February** and will run for 5 weeks. Each week has a different theme and includes a dressed up character including Professor Poopenshtinken (maths genius), the Mathemagician, Stately Holmes (the maths detective) and the Olympic Mathletes!

Parents receive weekly email updates to see what their child has been learning (but you must give your email address to obtain this).
