Exploring Paint and landscapes

Year group: One

Term: Summer

Prior knowledge

Our children will have already explored out to express themselves through paint and begun to learn that there is a range of media with which can 'paint' with.

They will know that they can use their whole body to create art work and have begun to say what they like about their own art work and that created by others.

National Curriculum Objectives

Year One will use a range of materials in a variety of exciting ways through drawing, painting and sculpture. They will continue to develop techniques of colour, pattern, texture, line, shape, form and space. Taking inspiration from a from a variety of starting points including, Van Gogh and Henri-Edmond Cross.

By the end of this unit, I will be able to:

Painting - Understand painting is a physical activity.

Painting - Understand watercolour is a media which uses water and pigment.

Painting – use a variety of brushes to make different marks.

Sketchbooks - Introduce what a sketchbook is for. Understand it is owned by the pupil for experimentation and exploration.
