Dear Parent,

Election of Parent Governor January 2024 - Blanford Mere Nursery & Primary School

I am writing to you to invite you to stand for election as a parent governor, or nominate another parent to do so. In our school we currently have a vacancy.

The governing body, with the Headteacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure its money is well spent.

No special qualifications are needed and the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work.

Training is available for all governors and this governing body has an expectation that those new to being a governor attend free induction training.

How to nominate someone to stand for election

Any Parent with a pupil at the School may stand as a candidate for election as a Parent Governor so long as none of the disqualifications listed on the reverse of the nomination form apply.

Each candidate must first sign a form agreeing to his/her nomination. For each candidate the name, address and signature of a proposer and seconder is required, both of whom must have pupils at the school. No person may sign more than two nomination papers.

Candidates should submit a short personal statement, in about 150 words, which will be circulated to Parents if a ballot is necessary. This statement should cover the skills and experience required by the governing body as detailed above and a commitment to undertake training to acquire or develop the skills to be an effective governor. If you are an existing governor seeking re-election you may include details of your contribution to the work of the governing body during your previous term of office and how you plan to contribute to the future work of the governing body.

You may nominate yourself for one the vacancy, but will still require a proposer and seconder, one of whom may be your spouse/partner.

Parent Governors will be elected for four years and do not cease to hold office when their child leaves the School, though they may wish to do so. You may nominate up to two Parents for appointment to the Governing Body.

A paper copy of the nomination forms should be printed, completed and returned to the School Office. You may, if you wish, post the form to the School, but it must be with the Headteacher by the date shown on the form. A paper copy is available for you to collect from the school office if you are unable to print at home.

The Election

If the number of candidates exceeds the number of spaces on the Governing Body there will need to be an election. If this happens you will be sent a ballot paper during week commencing Monday 5th February 2024.

If you would like more information about Governors' Meetings, or the eligibility of Parents to stand for election and vote, please contact the Headteacher in the first instance.

Thank you for your assistance in this matter.

Yours sincerely

Mrs K Crook
Headteacher

Our School need Governors

Are you interested in making a positive contribution to children's education?

- If so, then becoming a parent governor could be just the opportunity you are looking for.
- You don't need to be an expert in educational issues to become a school governor.
- The most important contributions you can offer are time, enthusiasm and skills you use in everyday life.
- As a school governor, you will have the opportunity to contribute ideas and influence decisions.
- On appointment it is expected that you will attend training in your role and responsibilities as a governor as well as child protection. A full range of additional training courses will be available to you to help you in your role.
- The Local Authority offers a helpline where you can get advice and support during office hours

By becoming a school governor, you will have an opportunity:

- To work as part of a team
- To play a vital part in raising standards
- To help ensure that every child at the school reaches their full potential
- To make an important contribution to your local community
- To apply and extend your skills and knowledge.

How much time is involved?

- School governors are the largest volunteer group in this country. Approximately 1% of the adult population are serving as governors.
- You will need to be able to give time to your role as a school governor, which can at times be quite demanding but also extremely rewarding for you.
- You will need to be able to attend meetings, usually in the evening, and set aside time to prepare for meetings and read up on relevant issues.
- School governors usually attend one or two full governing body meetings each term together with perhaps one or two committee meetings each term.
- You may, as a school governor, be invited to be involved in an activity during the day.

Quotation from existing parent governor

"School is a big part of my child's life and, through being a governor, I now have a better understanding of the education system and the issues facing the school".
