Parking around the school site

Parking around schools is often a contentious issue for local residents and Blanford Mere is no exception. We have raised this issue regularly and asked for your support, only last week. Please park with consideration to our local residents – not blocking drives or parking in a way that endangers the safety of children and their families.

This morning we had another complaint from one of the residents in Beech Tree Close. This is the complaint that we received today.

“Cars are continually blocking my drive away on Beech Tree Close. I tried to take a picture this morning and was abused by the car owner. Why do they think it’s ok to block my driveway? Can something be done? I have emailed Dudley Council to request an enforcement officer to ticket all the vehicles that block access and am awaiting their response.”

We are now using a number of new entrances to the school which adds further congestion to the local neighbours. Can parents please be considerate of our neighbours and the local community by not parking across driveways, turning around on residents’ driveways or parking on the grass verges.

Please remember that we have asked parents not to park on Mimosa Walk at all please (the entrance or cul de sac outside the main entrance to the school). Local residents have already informed the police – this may be followed up by the police and fines issued.

Thank you for help and co-operation

Mrs Miller and Miss Stanton
