

## Autumn Leaves

The ruby red leaves swiftly dancing,  
The golden leaves dazzling prancing,  
Flying like an aeroplane,  
Onto an pile of wet leaves and  
crunchy leaves.

## Chestnut Spike

The chestnut spiked my feet and  
cruned.

The snors were being eaten by big  
jaws.

The wind wiped through the  
branches.

## Sawirrels

Dropping,

Rolling,

Crunchy acorns,

Jumping,

Swaying,

Through the trees.
