Friday 4th September 2020

Dear Nursery Parents,

Thank you for your support this week with dropping and collecting your children - this has been an extremely smooth transition. The children have settled very quickly and are beginning to get used to the routines.

All children now have a red Blanford Mere pump bag as a gift from us.

From Monday could all children bring to Nursery their red pump bags please - label the bag with your child's name please. In the bag could you send a change of clothes, pants, socks, black pumps and ensure that the items are labelled with your child's name.

These will remain in school, unless a child has had an accident, then we will send the bag home with the child so parents can replenish the items for the next day.

Children **should not** bring in rucksacks or any other bag - they just need the above red pump bag.

All the children need to bring on a daily basis is a named coat, named water bottle and a piece of fruit in a clearly labelled small bag. If your child stays for lunch - please bring a lunch bag clearly labelled with your child's name.

If you have not already done so, please send a pair of clearly named wellies, which are kept in nursery.

They don't need to bring in tissues and hand sanitiser, as staff will provide this and supervise children putting it on.

Thank you for your continued support, we look forward to getting to know you and your children.

Have a nice weekend

Miss Stanton

EYFS Strategic Leader and Deputy Head
